1 Mulligan
1 Foot Wedge
1 String (3ft)

Details:

Also known as "All the help I can get!"

One mulligan package can be purchased per team. The items listed in the mulligan package are not allowed to be used on the Closest to pin contest, Longest drive contest, or on the Hole-in-One contest.

How to use the Mulligan Package:

1 Mulligan - most simply put, it is "do over." Hit a bad shot? Take a mulligan and replay that stroke. Only allowed one mulligan per package.

1 Foot Wedge - what a golfer uses when he kicks his ball or nudges the ball into a better position for the next stroke. Only allowed one foot wedge per team.

1 String (3ft) - team is issued (1) 3ft. piece of string prior to the rounds start. The string can be used at anytime during the round by a player who wants to improve his game. The catch is that each time you use your string, you must deduct the amount of string corresponding to the distance your ball was moved. Only allowed one string per team.

Making a Difference with Plus4

Your participation in Plus4 Credit Union's Annual Golf Tournament goes to First Class Educational Partnership. This year's tournament will be raising money for the Cody Stephens Go Big or Go Home Memorial Foundation promoting heart screening across Texas. Plus4 is proud to announce that Texas passed the House Bill 76 Cody's law in 2019, which gives parents in every school district the right to choose heart screening for their child. The Cody Stephens Foundation partners with the largest to smallest schools, in the big cities and smallest communities. Now more than ever HB76, Cody's Law needs our help to make sure every school can offer heart screening to help save lives.
